

## **Blegen Joins SK Food International, Inc.**

November 3, 2009, (Fargo, North Dakota) – SK Food International, Inc., announces Harley Blegen is the new plant manager of SK Food Specialty Processing, a wholly owned subsidiary of SK Food. Blegen will oversee all cleaning and processing activities for Identity Preserved certified organic and conventional non-GMO beans, grains and seeds at SK Food Specialty Processing.

Blegen comes with specialty crop processing managerial experience and extensive knowledge in agriculture. He and his wife, Michelle live in rural Kindred, ND and have five children.

SK Food Specialty Processing is custom processing and seed conditioning facility for a wide range of Identity Preserved certified organic and conventional non-GMO agricultural ingredients and planting seed including beans, grains and seeds. SK Food Specialty Processing is certified organic through ICS, Non-GMO Project Verified, and is a Kosher facility.

SK Food International, Inc., based in Fargo, North Dakota is a reputable import/export trading company and domestic bulk ingredient supplier. SK Food International supplies a full line of Premium Quality Ingredients including Identity Preserved: Certified Organic and Conventional Non-GMO dry edible beans, grains, seeds, soybeans, brans/germs/fibers, flours/meals, vegetable oils, vinegars, sweeteners, rice products, split/dehulled soybeans and instant powders/flakes.
